[Mi Chiamo Eka](#)

Left - me and **Donna Lee**, Ebong's biggest fans.

Ebong Eka celebrated his men's clothing line launch with a crowd of his most supportive (and stylish) friends last night at [K Street Lounge](#). Some of our cutest male friends strutted the runway... probably as much for ego as for charity - a portion of the proceeds from the night went to Ebong's cause, the [Hoop Dreams Scholarship Fund](#).

Ebong may be the most popular man in town. The party was *more than* a who's who. It was a *Who's writing about who?!*

[Chandler Ramelli](#), and [Rachel Cothran](#) were snapping pictures faster than I was - wow, I want their cameras! Some lovely ladies there to cheer on the men included Redskin cheerhotties **Anabel Dela Cerna** and **Abby Dymond**, **Cat Bynum** of the [Park at 14th](#), and the always sexy **Alexandra Simms**.

Below - **Carl Becker** and **Steve Chenevey** on the red carpet runway.

Check back for a link to a full write-up of the event and *more pictures!*
